Hebrews 11:1-2

fides qua creditur: The faith which believes. This is saving faith which receives and holds the riches of Christ's atonement that He has won for us; the favor of God through His merit. Jesus gives His salvation to us through Word and Sacrament (MoG) and we take hold of them by faith. The fides qua makes you a Christian.

fides quae creditur: The faith which is believed. The faith which is believed does not refer to the grasping quality of saving faith but to that which faith clings. Fides quae is THE faith. Christians have faith in the faith! May be it's better to say: We have faith in the Gospel!
